SNUCMAA-NA

P.O. Box 631

Port Washington, NY 11050

Dear SNUCMAA-NA Scholarship Donors and Committee:

I would like to express my thanks to everyone who has made the SNUCMAA-NA Scholarship possible. I was honored to learn that I was selected to receive one of the awards this year, and I am grateful for the financial support for my college education.

I am currently a sophomore studying Computer Science and Molecular Biology, with hopes of following my undergraduate studies with medical school and a career in medicine.

I rely on financial aid for the majority of my tuition, and have also been working on campus during the semester. The financial help from this award will allow me to turn this focus more to my classes, research, and extracurriculars. I joined a lab this semester and am starting work on modeling diffusion of chemotherapeutic drugs in cancer tumors. I am also a certified EMT and work on the MIT campus ambulance, which is staffed 24/7 by students. This scholarship is giving me the opportunity to commit more to these activities, which allow me to both help others and develop my own skills.

Again, thank you so much for the support and for investing in my future.

Sincerely,

Suzie Byun
