1) Subject: "Now Our Turn?"(Black and White): 형수님의 장례(Burial Service)를 마친 노부부, 노환으로 부자유한 노구를 지팡이로 의지하고 자신들의 차례가 임박하였음을 감지한 듯, 서로 서로 부축하고 찢쩍쩍 아무런 기운도없이 떠나가는 느린걸음의 쓸쓸한 뒷 모습.

Date of photo: January 2017

Place: St. John's Cemetery at Stamford, CT

2) Subject: "Tern feeding Newborn"

Mother Tern or Daddy Tern: bring a small fish to feed their Newborn chick.

Usually they bring a little fish which the baby chick can handle.

Date of Photograph: 8/6/2015

Place: Nickerson Beach, Long Island, NY

3) Subject: " Watermill in the Autumn Rain"

The image was taken at Back pond of Arrow Head, NH in the middle of fall foliage on Rainy day.

Place: New Hampshire

Date: 10/09/2015

4) Subject: " Humming Bird"

A colorful little Hummingbird, maybe about 2 inches long, flying in and out fast to the flower, sucking NECTAR.

Place of photo: Southbury,Connecticut

Date: 8/4/2016

5) Subject: " Autumn Moss Glen Fall"

At the base of Moss Glen Fall, a bunch of fallen fall leaves were circulating on the stagnated water.

Even though the water volume of the fall was much less than previous year, Surrounding fall color of Vermont was spectacular.

Place: Glenville, VT
