Re: Taewoong Kim Scholarship

Dear SNUCMAA of NA,

It is a great honor to receive your generous Taewoong Kim Scholarship that will help fund the expenses of my education at Western University. I am most grateful for your belief and support, and I would like to thank you for choosing me.

I am currently doing my third year clinical rotations in Ventura, California, and my experience so far has been amazing, but also very costly. Therefore, I am deeply appreciative of the financial assistance you have provided me, which will help me tremendously going forward. Because of what SNUCMAA of NA has done for me, I can continue to excel in my clinical education. Upon my graduation from Western University, I am hoping to match into Internal Medicine for residency program and then, Cardiology for fellowship training.

Thank you again for your very important financial assistance.

Sincerely,

Thomas Sungho Hong
