

Dear Members of Seoul National University College of Medicine Alumni Association of North America,

I hope this message finds you well. I am writing to express my heartfelt gratitude for selecting me as the recipient of the 2024-2025 SNUCMAA scholarship. This generous support is not only a significant financial aid for my education, but also a strong motivation as I pursue my dream of becoming a physician assistant in primary care.

As a Korean-American, it holds particular meaning for me to receive support from a Korean organization. It reinforces my belief in the importance of serving our community, and it inspires me to work even harder to make a positive impact in the lives of others. I am currently enrolled in the Duke Physician Assistant Program, where I am gaining invaluable knowledge and skills that I am eager to apply in a clinical setting.

I understand the responsibility that comes with this scholarship, and I want to assure you that I am committed to upholding the values and aspirations of our community. I will strive to excel in my studies and contribute meaningfully to the healthcare field. Your belief in my potential encourages me to push my boundaries and strive for excellence in everything I do.

Thank you once again for this incredible opportunity. I am truly honored and excited to represent our community as I embark on this journey. I look forward to the day when I can give back to those who have supported me and contribute to the well-being of our community.

Warmest regards,

Jennifer Kwon
